Albert Einstein

It's not that I'm so smart, it's just that I stay with problems longer.

C. F. Gauss

If others would but reflect on mathematical truths as deeply and as continuously as I have, they would make my discoveries.

Robert Kanigel--

...mathematics is not best learned passively; you don't sop it up like a romance novel. You've got to go out to it, aggressive, and alert, like a chess master pursuing checkmate.
