Grading	
Quizzes	30%
Midterm	25%
Final	25%
Excel Labs	20%

- ◆ Homework from the text will be assigned daily but not collected. The chapter quizzes will cover material from homework and lectures.
- ◆ The lowest quiz grade will be dropped. Therefore, NO MAKEUPS will be given for the first quiz missed, regardless of the reason.
- ◆ Makeups will be arranged for exams if I am notified before the exam has taken place.
- ◆ NO LATE LAB ASSIGNMENTS will be accepted.
- ◆ On exams and quizzes, you may use a calculator, one 8½"×11" page of notes (front and back), and all of the pertinent tables. On the midterm and final exams, you need to bring a Scantron form 882, a number 2 pencil, and a PSU-issued photo ID. **No wireless-capable devices may be used during exams.**
- ◆ If you have a disability and are in need of academic accommodations, please notify the professor immediately to arrange the necessary supports.
- ◆ The Midterm Exam is Tuesday, February 14.
- ◆ The Final Exam is Monday, March 19, 10:15–12:05. No exceptions.

We will cover Chapters 8–14 and 19 of the following:

Text	
<i>Statistics for Business and Economics, 11th Edition</i>	Anderson/Sweeney/Williams

Note: Class notes and information will be available at:
